### E-COMMERCE

- Register Clients
- Online Booking
- Suggestive Selling
- Mailbox Money
- Protect Franchisees

This exciting franchise concept transforms the corner candy shop into an interactive chocolate factory experience. Franchisees benefit from multiple revenue streams. Chocolate Works offers candidates the security of brick and mortar, the margins of a service business, and the scalability of a B2B model. Kids and adults of all ages are invited to indulge in a hands-on learning experience molding, decorating, dipping, enrobing and crafting their very own chocolate and candy creations.

### FRANCHISOR FAST FACTS
