5 Year Extended Product Protection Plan Terms & Conditions (VSL, CHS*, LYNX)

In addition to the terms and conditions of the original manufacturer's warranty, the following terms and conditions will apply:

The period of this Plan begins on the product installation date or eighteen (18) months from the original date of manufacture, whichever comes first and continues for the 5 years. Parts and labor for properly registered equipment will begin the day after original equipment installation and will continue for a total of five (5) years. The Plan includes all manufacturers', OEM and/or dealer warranties. All work on this product must be by a service agency authorized by Slant/Fin.

The Plan will pay to repair and/or replace parts which fail under normal use at rates established by Slant/Fin. Extra charges such as diagnostics, mileage, overtime or shipping are not covered. Nuisance calls are not covered by this Plan. This Plan is for residential products only. All labor is reimbursed at the approved rate, regardless of when the service is performed.

Only repairs that are attributed to normal failure of the electronic and mechanical functions of the unit are covered. Failure due, but not limited to, abuse, negligence, impact, fire, lightning, power failures and/or surges, rust, corrosion and water supply failures are not covered. Damage and/or repairs to cabinets and all exterior components, normal maintenance, related ductwork, power surges, electrical spikes or electrical circuit overloads, cleaning of drains, filters, batteries, knobs, etc. are not covered. Additional or unusual utility bills incurred due to any malfunction or defect in equipment and labor cost of gaining access to or removal of a unit that requires special equipment or tools such as cranes, ladder trucks, etc. are not covered. Maintenance needed to keep the product in "good operating condition" is not covered. This includes, but is not limited to, cleaning, tune-ups, fuses, nozzles, pilot orifices, adjustment of customer controls and customer product education. Labor, material, expenses or equipment required to comply with laws and/or regulations imposed or set forth by any governmental agencies including, but not limited to, the storage, handling, recovery and/or recycling of refrigerants are not covered by this Plan.

Any labor of more than 1 hour must be approved prior to the repair by Slant/Fin.

To Find a Service Contractor: Contact the installing Contractor. If the installing Contractor is not known, check the Slant/Fin website at www.slantfin.com (locator tab) or have your installing contractor call Slant/Fin

This warranty applies only to the first retail purchaser, and only if boiler remained at location originally installed.

Any representation of this Plan other than the terms herein are not binding on Slant/Fin. Slant/Fin will not be liable for any incidental or consequential damages.

This Plan gives you specific legal rights, and you may have other rights that vary from state to state. Any terms and conditions of this Agreement that are in conflict with the statutes of the state wherein it is issued are hereby amended to conform to those statutes.

*** Contractor: Please be sure to call Slant/Fin to become a qualified service contractor prior to completing work to be pre-approved.
