of Home Heating
Costs and Saving \$\$
with Slant/Fin!**

We Build Trust and Comfort

www.slantfin.com

Slant/Fin Cast Iron residential boilers are the best in the industry. Options include side wall venting and domestic hot water. All residential Slant/Fin boilers have a Limited Lifetime Manufacturer's Warranty!

Our standard hot water boiler control has these premium features:*

- Low Water Cut Off with Automatic or Manual reset
- LED Indicating lights – easy to read and diagnose
- Boiler water temperature reset - The boiler water supply temperature automatically adjusts based on the number of zones calling and the thermostats run time, giving greater comfort and fuel savings.
- Optional outdoor sensor - an inexpensive option, the boiler water supply temperature is now adjusted based on outdoor air temperature, further enhancing fuel savings. (Optional outdoor reset sensor not available on VHS, VSPH)

With the Hydrostat™ control, your home will be more comfortable while delivering lower operating costs. Combine this with the best warranties in the industry, outstanding customer service, and being in business since 1949, makes Slant/Fin the smart choice for your next boiler purchase.

*Not available on the Eutectic, XL, or Steam boilers

Heating for a Cure
