Slant/Fin

Revital/Line™

Aluminum Baseboard Replacement Cover

Slant/Fin's Revital/Line pre-cut replacement covers will fit standard hydronic baseboard up to 8.5" H x 3" D. Simply measure your current baseboard, choose your color, and you're ready to begin. This product is designed to snap right over existing back panel. All you do is remove the old accessories, front panel and damper and you're ready to slip on the new cover. Visit www.slantfin.com to learn more and see a quick installation video.

The unique and modern design will provide durability and has been tested to provide up to 40% more heat output than the competitive brands currently in the market. It's amazing how simple it is to transform the look of any room. And, best of all, anyone can do it! Slant/Fin takes the guesswork out of it...and puts our unsurpassed quality into...every Revital/Line makeover.

Breathe new life into your aging baseboard!

Revitalize any room in your home... quickly and easily... with a pre-cut, snap-in-place baseboard cover.

Revital/Line is available in pre-cut lengths: 2', 3', 3-1/2', 4', 5', 6', 7', 8'
Revital/Line Replacement Covers is for use with hydronic baseboard only.
